Generally, our evaluation of Pa Vei Tekstbok Audio has supplied us with an abundant understanding of the story and its literary possibility. We very advise this book to readers that are seeking a provocative and emotionally impactful read.

**REVIEW OF PA VEI TEKSTBOK AUDIO**

- This book had nothing to do with the Nigt World. I was disapointed that it didn't have anything about soalmates or any Night World related subjects. I do not know why Smith would actually put it in the series. This was the only book in the series that actually got boring. If you want cool excitement and romance read Black Dawn or Secreat Vampire!

- If you are looking for a detailed, coherent account of the collapse of the Silver Bridge, you will find this book a total disappointment, as I did. You will learn next to nothing about what was going on in Point Pleasant, and why the bridge collapsed. This book is largely an unorganized, haphazard semi-autobiographical collection of anecdotes that appear to be meaningful to the author, most of them about flying saucers and men in black and the author's problems with his phone bill. The "narrative" skips around in time and place and subject. Keel devotes more pages to some odd people in the Long Island ufo community than he does to writing about the bridge. He has two sentences about why the bridge might have collapsed. There are no photos, maps, figures, or appendices in this book. Unless you get a map of the Point Plesant area, you have no idea where the events he describes takes place. There are about 10 footnotes, and they document trivial, dumb stuff. Keel must be laughing about selling the title of this book to the movie company. Even though the movie wasn't all that good, it was far better than this book. It's not so much I regret spending the money on this book, but I feel very foolish about having wasted two hours reading it.
