## REVIEW OF ABNORMAL PSYCHOLOGY COMER 8TH EDITION POWERPOINT

- I got the original version of the Hobbit and it just had a hard time reading it. But then I got this one and I loved it. The pictures are neat and make the book easier to get through. I strongly recommend it.
- Since the modern movie remake, I felt I should revisit this story that I read when young. The story is as J.R.R. Tolkien said it was; a story for his grandchildren. It should be read by all who love the movies if for no other reason than a person should read the original source that started it all.
