REVIEW OF ANSWERS TO THE GIZMO EXPLORATION ELEMENT BUILDER

- Thoroughly engrossing read that also provides food for thought. You find yourself rooting for a troubled, difficult character who finds herself in the midst of a media circus. It's just a wonderful book with some unexpected comic twists--the hunky tele-atheist, the smart-alecky Jewish mom, the squabbling Catholics....I loved it!
- I really enjoyed this book. The main characters had a challenging journey and it was interesting to see how the each one dealt with their faith and beliefs in themselves as well as others.
