Fiction. In English translation. Jos Mara Arguedas is one of the few Latin American authors who loved and described his natural surroundings, and he ranks among the greatest writers of any time and place. He saw the beauty of the Peruvian landscape, as well as the grimness of social conditions in the Andes, through

the eyes of the Indians who are a part of it. Ernesto, the narrator of *Deep Rivers*, is a child with origins in two worlds. The son of a wandering country lawyer, he is brought up by Indian servants until he enters a Catholic boarding school at age 14. In this urban Spanish environment he is a misfit and a loner. The conflict of the Indian and the Spanish cultures is acted out within him as it was in the life of Arguedas. For the boy Ernesto, salvation is his world of dreams and memories. While Arguedas poetry was published in Quechua, he invented a language for his novels in which he used native syntax with Spanish vocabulary. This makes translation into other languages extremely difficult, and Frances Horning Barraclough has done a masterful job, winning the 1978 Translation Center Award from Columbia University.

* National Bestseller and winner of the 2014 International IMPAC Dublin Literary Award * Hailed by Edmund White as "a brilliant new novel" on the cover of the New York Times Book Review * Lauded by Jonathan Franzen, E. L. Doctorow and many others From a global literary star comes a prize-winning tour de force – an intimate portrayal of the drug wars in Colombia. Juan Gabriel Vásquez has been hailed not only as one of South America's greatest literary stars, but also as one of the most acclaimed writers of his generation. In this gorgeously wrought, award-winning novel, Vásquez confronts the history of his home country, Colombia. In the city of Bogotá, Antonio Yammara reads an article about a hippo that had escaped from a derelict zoo once owned by legendary Colombian drug kingpin Pablo Escobar. The article transports Antonio back to when the war between Escobar's Medellín cartel and government forces played out violently in Colombia's streets and in the skies above. Back then, Antonio witnessed a friend's murder, an event that haunts him still. As he investigates, he discovers the many ways in which his own life and his friend's family have been shaped by his country's recent violent past. His journey leads him all the way back to the 1960s and a world on the brink of change: a time before narco-trafficking trapped a whole generation in a living nightmare. Vásquez is "one of the most original new voices of Latin American literature," according to Nobel Prize winner Mario Vargas Llosa, and *The Sound of Things Falling* is his most personal, most

contemporary novel to date, a masterpiece that takes his writing—and will take his literary star—even higher.

The product of five years' investigative reporting, the subject of intense national controversy, and the source of death threats that forced the National Human Rights Commission to assign two full-time bodyguards to its author, Anabel Hernández, *NarcoLand* has been a publishing and political sensation in Mexico. The definitive history of the drug cartels, *NarcoLand* takes readers to the front lines of the "war on drugs," which has so far cost more than 60,000 lives in just six years. Hernández explains in riveting detail how Mexico became a base for the mega-cartels of Latin America and one of the most violent places on the planet. At every turn, Hernández names names – not just the narcos, but also the politicians, functionaries, judges and entrepreneurs who have collaborated with them. In doing so, she reveals the mind-boggling depth of corruption in Mexico's government and business elite. Hernández became a journalist after her father was kidnapped and killed and the police refused to investigate without a bribe. She gained national prominence in 2001 with her exposure of excess and misconduct at the presidential palace, and previous books have focused on criminality at the summit of power, under presidents Vicente Fox and Felipe Calderón. In awarding Hernández the 2012 Golden Pen of Freedom, the World Association of Newspapers and News Publishers noted, "Mexico has become one of the most dangerous countries in the world for journalists, with violence and impunity remaining major challenges in terms of press freedom. In making this award, we recognize the strong stance Ms. Hernández has taken, at great personal risk, against drug cartels."

REVIEW OF ROSARIO TIJERAS CAPITULOS COMPLETOS VER NOVELAS ONLINE

- As a young man I took this book with me when I entered the service. I kept and read from it from basic training through a year in Korea, and at the 82nd Airborne Division. When I became a Sergeant I gave the book to another soldier who appreciated the point of view that Leaves of Grass brought to light. Now, about to embark on the spiritual journey that is the U.S. Army Ranger School, I am once again reminded of Walt Whitman's words on readily taking new roads and accepting new challenges, and leaving our normal life behind for an extreme commune with nature and ourselves. Taking life by the horns and sounding my almighty YAWP! (hooah!) over the rooftops of the world!

- Glass collectors take note and make time to check out this resource book! It is a valuable tool rich with history and wonderful illustrations that you will pick up again and again. The author repeats history in various sections on purpose so that the user can read it as a casual reference guide or cover to cover like a history book. Westmoreland Glass: Identification and Value Guide by Charles West Wilson, is a must have whether one collects Westmoreland glassware or not! Excellent.
