## REVIEW OF GELUKKIGE SLAVEN TOM LANOYE

- We all know this is a great book; this edition makes it look fantastic, excellent drawings, great quality.
- Unfortunately Amazon has mashed together all the Hobbit reviews. But the comic/graphic novel version is different enough to warrant it's own review pool.

bought this expecting to love reliving the Hobbit in a visual format. But that didn't happen. This adaption is just flat and missing so much of the magic Tolkien created. I suppose that's a given when you replace so much of his expertly crafted words with pictures. If nothing else, read the standard version of the Hobbit first before trying this. Reading this first will just spoil what a great book the Hobbit is.
