REVIEW OF SALT IN HIS SHOES MICHAEL JORDAN IN PURSUIT OF A DREAM

- I work with elementary age school children after school and during summer camp. We have done some exploring of rocks and where we get gold and precious stones. "Geology Rocks" has some of the best hands on activities I have ever come accross for demonstrating the processes of the

formation of the minerals and how to extract them from the earth. They especially enjoyed chip mining! It makes the learning process so much fun, the children hate to stop the activities.

- Conspicuous consumption, shoulder padded-blazers, a roaring bond market, and other hallmarks of 80's culture seem dated enough today to be comical, and The Bonfire of the Vanities is very much a novel of its time. So what's to recommend this portly tome to readers 25 years later? Some of the same traits that mark all great fiction, yet which are particular strengths of Wolfe's: a keen ear for dialect, an almost discomfitingly keen understanding of human nature, and

finally, descriptive bon mots that cast the world anew while also giving a "Yes! That's _exactly_ how it is!" satisfaction. While the cultural trappings of mid-80's New York no longer apply, everything that makes this book move still feels bracingly current: the thrill and lust for power, journalism's drive for The Story, political machinations, the grimy real-world operations of the law, Society etiquette, racial tensions, and those errors in judgement upon which fates turn. The book is a colorful, vivid illustration of how the issues may change, but people stay the same. For the writer, there is much to relish in Wolfe's rich vocabulary and continually inventive turns of phrase. I found myself thinking of the old writers' adage "Show, don't tell," and then thinking "But if you can do it this well, tell away!" The witticisms are too many to quote, yet too delicious to omit entirely. Speaking of an office building, Wolfe writes ". . . a glass tower that rose up sixty stories from out of the gloomy groin of Wall Street." Discussing a hung-over character who's attempting not to remember last night's follies, he says "Whatever he had done was submerged like a monster at the bottom of a cold dark lake." In a trendy restaurant we hear the "aerobic voices of the young and swell," and at a socialite party we envision "Two men and

an impeccably where that came from,
emaciated woman." but I'll let you discover
There's a lot more them for yourself.
