REVIEW OF CENTER CHURCH DOING BALANCED GOSPEL CENTERED MINISTRY IN YOUR CITY TIMOTHY KELLER

- This is a very good textbook. I am currently a Doctor of Physical Therapy student and this was a recommended book by my professor to help us learn PNF techniques. There are excellent descriptions and great diagrams. The only thing that would have made this a better book is if the diagrams were in color. I would recommend this book to anyone interested in the benefits and techniques of PNF as well as most health care professionals. Being a student, this was also a very easy book to comprehend due to the great descriptions.

- *Scream: A Screenplay* is every bit as terrifying as the movie! Definitely 5 stars! Although the book is not exactly like the working screenplay, it is still great and is well on its way to becoming a classic!
