REVIEW OF ANSWERS TO PHTLS PRETEST

- The Giver is a book that is based on the future. In this future there lives a boy named Jonas. Jonas soon learns that in this world he receives no love and feels no feeling of sympathy or respect. He soon gets a job in which he learns that there once was a time in the past where

parents gave their children love and where you were aloud to have more than one brother or sister. He soon learns of what it means to love and begins to fall in love with a baby who he will soon save the life of. When you read this book you will enter a world of love and hate.

- I found that The Giver quite amusing. The Giver is about a community not an ordinary community this community is so called perfect. This book is about a kid

named Jonas.(Every year they have an assembly and all of the people(s) birthdays are all on the same day.)This last assembly Jonas received a job Jonas had been selected.Jonas is a very important person in this book. I really liked the book except for the end because it really stumped me did he die ?, or did he live? If you want to red this phenomenal book that is rated to all ages than I guess this book is the book.I found this book the best I ever read. I rate this 4.75 stars.
