RICETTE CHEF CANNAVACCIUOLO. La mia cucina Cucinare, per me, è sentire il richiamo dei luoghi in cui sono cresciuto: il profumo del mare, dei limoni, di casa. L'ispirazione proviene dai ricordi, ma la preparazione dalla fatica, dalle notti passate in cucina, dalla passione verace per un mestiere che ti chiede molto, e che non è detto possa un giorno ripagare i tuoi sforzi.

REVIEW OF CANNAVACCIUO LO RICETTE

• CATHOLIC AND CHRISTIAN is one of the best works available explaining the beliefs unique to the Catholic Church. Irenic and respectful, Schreck's style will not offend anyone of a nonCatholic persuasion. One reviewer mentioned that he regretted that Schreck didn't go into a detailed explanation of the Catholic Church's inclusion of the Deuterocanonical books into our Catholic bibles. Good observation, but there was really no need to. All Christians prior to the 16th century ACCEPTED the deuterocanonical

works (the Alexandrian Canon) which Luther, on no authority whatsoever other than his own whim, threw OUT of the established canon (as he also tried to throw out Revelation, Hebrews, 2nd Peter, James, and the Letter of Jude, an unpleasantry often kept carefully hidden from protestants by their Sunday School teachers!!). I would heartily recommend Catholic and Christian to any and all who would like an accurate understanding of Catholic belief. God's blessings to you all!

• What a wonderful way to learn about history! My fascination with the real historical mystery described in this novel mirrored the fascination of the main character, a temporarily bed-ridden

detective. I found myself longing for the primary source material that the character was able to use from the British Museum! And not wanting to disclose the ending, I'd say that my reactions continued to mirror those of the main character, right through to the denouement. I'm hoping that Amazon.com's lists will help me find more books like this one!
