## **REVIEW OF PICNIC AT HANGING ROCK**

- Here he is again, that commander of luminous prose William Trevor. With this, his 13th novel, the master has some

surprises in store as his unparalleled accounting weaves a psychological thriller. Felicia, whose appearance is deemed "nun like" is the only daughter of an impoverished Irish gardener. She leaves the home where she cooks, cleans and tends to an elderly grandmother to find the boy she loves, Johnny. Knowing only that he works in a lawn mower factory somewhere in the English Midlands, she embarks on her fateful journey. Unable to locate the factory, let alone Johnny, she is befriended by Mr. Hilditch, a portly catering manager with a penchant for pop tunes from the 50s, a portrait gallery of strangers decorating his walls, and a black past. Mr. Hilditch follows her, assures her dependence upon him by stealing her money, and eventually takes her into his home. Trevor's brilliant narrative skills are showcased as he weaves the story with flashbacks, revelations of his characters' thoughts, and displays of their dreams. As always, he is articulate and compassionate, bringing his shuddery thriller to the zenith of a conclusion.

- There's a strong Hitchcock feel to this novel, as well as "Beauty and the Beast". One can't help but be impressed by William Trevor's delicate handling of his characters, and his superb build-up of suspense. Weaving them together, and constantly holding back information, he depicts a depth portrait of humanity that is at once devastating and real. He questions whether evil people are intrinsically that way, or whether they are shaped by consequence, and emotion. William Trevor is a master in his prose, and the brilliance of the tension never ceases to revolve around the novel.
