REVIEW OF MITSUBISHI PAJERO 2001 REPAIR SERVICE

- These contracts are a must have for anyone in the recording industry, just as the title states. I'm an independent songwriter, and these contracts help me to keep control of my intellectual property. Without these- I'd be toast when one of my songs got popular. If you're in this business, you need these contracts to keep you protected!
- This book is flat out too long. The author's argument is simple. So simple, in fact, that this would have made an excellent journal article. Instead, the author drags it out, and drags, and drags, and drags and...you get the idea. Read the book reviews instead. You'll save yourself a few hours.
