Joining our community is very easy and includes a host of advantages. Our participants gain access to a substantial library of PDF data prepared for download and can add to the area by posting their own declare others to utilize.

So why wait? Start downloading and install Ucapan Tasyakuran Bancakan Scribd Com PDF today and experience the convenience and convenience of accessing a vast array of beneficial files at your fingertips.

## REVIEW OF UCAPAN TASYAKURAN BANCAKAN SCRIBD COM

- When asked what I felt was the greatest novel of the twentieth century, this is the one I came up with a some moments for reflection. It is short, highly accesable, and contains some of the most fascinating and exhillerating insights into the nature of humanity. Camus' narrative touch is often breath-taking, and makes you want to learn French just to read the book properly. He manages, as a stylist, things that the likes of Sartre and Proust could only dream about. I love this book perhaps too dearly, but I would reccomend it to any thinking adult.

- In any discussion of Bely's PETERSBURG there eventually arises the question of whether or not it's one of the 20th century's greatest novels. Frankly, I'm not even sure what this means, because what you will take from this book depends very much on what you came for. Distinctive narrative

structure, mind-bending imagery, and creative use of language earn PETERSBURG a place in the literary pantheon. As an important product of the Symbolist movement and a document of Russian revolutionary ferment, it deserves the considerable scholarly attention it has received. The Maguire/Malmstad translation is a tour de force, and their care for their subject is greatly in evidence in what must have been one of the toughest translation tasks ever attempted. For any students out there: if any of the foregoing are of any interest to you, you are in for a treat. None of these things, however, guarantee that PETERSBURG will be a particularly good choice for the casual reader, and in fact it's an extremely tough row to hoe. The book is noisy, chaotic, cluttered, and at times supremely difficult to follow. As a reader, I felt myself experiencing the book very much as a painting, albeit one viewed through a frenetically shaken magnifying glass. Some of what you'll see will be stunning; much will be baffling. I believe very much that there is sense behind every fragment of this book, but it takes hard work to dig it up, and often just dragging your eyes across the

page is not so easy. As a further stumbling block to many readers, PETERSBURG's beauty relies very much on the beauty of the city of Petersburg itself. The city's atmosphere will be familiar, of course, to almost all Russian readers, but for non-Russians who have not spent time in Petersburg, an important sense of place will be missing. As other reviewers have noted, the plot is relatively thin, but if you're looking for a good yarn, there are other reasons why PETERSBURG is not a good choice for you. I suspect that very few casual readers--or even folks who just like Russian literature and want to try something from the 20th century--will have the background knowledge needed to put this novel in its intended context. Bely had an audience in mind, and we were not really it. If you're interested in Russian novels from the 20th century, of course there are many, but please allow me to suggest Bulgakov's THE MASTER AND MARGARITA in place of PETERSBURG. They are not particularly closely related--although, again for students: I sense there's a term paper there--but there is a similarity in their zany madness and Bulgakov is much more approachable.
