REVIEW OF THE PORTABLE MACHIAVELLI PDF WORDPRESS

- I was preparing to fault Bruce Wagner for his swaggering, smug narrative voice in THE CHRYSANTHEMUM PALACE. But then I realized that pretension is more virtue than fault in this type of Hollywood insider novel. I haven't read anything else by Mr. Wagner, so for all I know the voice is more his than Bertie Krohn's, his protagonist. But it doesn't really matter. Here, at least, voice and subject matter form a perfect union. The same cannot be said of Mr. Wagner's ménage a trois of central characters and any of the people in their lives. And that's a problem. It's a hard sell trying to engender any sympathy for the disgruntled, vacuous spawn of the rich and famous. Not impossible, but

definitely not easy. And for me, the few attempts at pathos fall universally flat. I simply didn't care much. On the plus side there is much inventive word play and sharp humor. And Mr. Wagner is certainly au courant with our cultural benchmarks. Names are dropped on nearly every page and much of the roasting is right on target. But could it all be a little too hip and too trivial for its own good? It's too soon to tell, for example, whether the next generation of readers are going to remember Alice Sebold or Cameron Crowe, MILLIONAIRE or FAHRENHEIT 9/11. I suspect THE CHRYSANTHEMUM PALACE will have a short shelf life. What we are left with is a book that rates a solid three stars which, with limited time and an abundance of five star materials to choose from, just isn't good enough for me.

- The Dog Who Wouldn't Be By: Farley Mowat
Reviewed by: Catherine Li
This book describes the life of a boy (Farley) with a dog named Mutt. Mutt was adopted by the author's mother when he was a puppy and was found by a boy who was selling baby ducks. Mutt was a very unique dog because he had excellent hunting skills. He could dive really deep to catch ducks under the water. Whenever the author's Dad fired his gun to hunt birds, Mutt could always retrieve a bird back even if the author's Dad missed his shot. Besides his hunting skills, he had ability to walk on fences, ladders, and trees - just like a cat! The first time he tried to walk on a fence he fell, but he kept trying until he was able to master his balancing skills on a

narrow fence. Mutt was a very determined dog. I really enjoyed reading this book because the writing describes a lot of details. The writing is very descriptive, and I could picture all the events in my mind. I love the huge vocabularies the author uses to make the sentences complex. "A swirl of muddy water marked his passing, and in the center of the swirl there was a whitish blob that twisted back and forth lethargically." The author writes lengthy and quite difficult sentences. I remember when I tried reading this book a year ago, there was at least five to ten words I did not understand. The author described the hunting skills and tricks Mutt could do in very expressive writing. Each chapter was extremely long, however I never got bored and kept reading. The events the author chose very amusing and thrilling. For instance, "The last jump took him well into deep water, and he began churning forward like an old-fashioned stern-wheeler." This book is so descriptive that it makes the readers feel like they were really living in the Canadian plains. I found this book very fascinating, especially when Mutt learns how to climb ladders, trees, and fences. My favorite section of this book is when Mutt climbed on top of a tree and there was a group of firefighters surrounding the tree. This section of the book is amusing because everyone thought it was a huge monster in the tree. Two people were holding guns and they called the firefighters to this event. It is a book worth reading. It has humorous stories and touching events. I really enjoyed reading this book.
