### REVIEW OF FOUNDATION OF BUSINESS 4TH EDITION PDF

- This book shows that sometimes you have to do something that is hard to do, but in the end it will work out for the better. It shows that there are two types of people in the world, the compassionate one and the ignorant ones. It had many strong themes, and I loved it!
- Clinging to each other in their loneliness and alienation, George and his simple-minded friend Lennie dream, as drifters will, of a place to call their own. But after they come to work on a ranch in the Salinas Valley their hopes, like "the best laid schemes o' mice an' men," begin to go awry.
