REVIEW OF CPIM STUDY S

- the seller was always prompt to reply to all my requests, I'd definitely buy from them again!

- I am an avid reader of adventure and historical novels and have recently found Wilbur Smith through a recommendation of a friend. I recently read Birds of Prey and Monsoon back to back. I couldn't wait to read on and was saddened

when I completed the two books. I anxiously hope and wait for a sequel to Monsoon. Now I have ordered the entire Courtneys of Africa series. I just completed The Sound of Thunder and while good (3 star) was not up to the excitement and adventure of Birds of Prey and Monsoon (both 5 stars). Perhaps

it was the adventure on the high seas as opposed to the Boer War that I enjoyed but I think it was more the writing style and great descriptive and story telling skill that made the difference. I can't imagine a more exciting or better written novel than Smith's latest two books. Tomorrow I will begin A Time to Die.
