- From the American Library Association Booklist (Denise Donavin) Vangsgard's party plans follow common themes: cowboy, pirate, dinosaur, circus, space, etc. However, these are

party plans often called for by younger children, and Vangsgard exhibits much depth of planning and creative detail. She has ideas for making your own stickers and face paint, building game structures, and fashioning cakes in original patterns. For parents not motivated to these depths of do-it-yourselfism, there are plenty of suggestions for adding a personal touch to purchased prizes, cakes and other items. The general planning and scheduling guidelines are excellent as is the advice for gearing the party to the child's age.

- I've read nearly every book written by this author. I just picked Song of Kali up to round out my Dan Simmons reading list. I was not expecting the physical sensation of not being able to take a breath, nor pull my eyes away from the lurid horror revealed in these pages. The last few chapters were a spiritual struggle for me, because Dan was so completely effective at interweaving a sense of awe and dread into my quiet evenings. I've read many books in this genre, only two or three have knocked me off my feet like this one. Song of Kali will haunt me for a long time.
