REVIEW OF ENERGY CONNECTING CONCEPTS ANSWERS

- No-it was not particularly scary. No-it didn't keep me up at night. Yes-it was riveting and interesting. The friendship

of all of these 5 men was beautifully written and the characters were memorable. I really enjoyed this. I also enjoyed that fact that King didn't go off on any tangents in this book as he seems to do in some of his others. Very good tale.

- I am in awe, and at the same time not at all surprised, to find that others who have been touched by this book have searched for it through the years. I can clearly remember when and where it appeared in our tiny school library in the late 1950's. That night, I knew that I had discovered a rare treasure. I truly long to read it again - this story is altogether too timeless to languish out-of-print!
