So why wait? Beginning exploring our PDF collection today and download Preposition List wonderful read. We guarantee you won't regret it!

Thank you for selecting our platform for your PDF downloads. We expect offering you with excellent solution and diverse alternatives for years ahead.

## REVIEW OF PREPOSITION LIST

- As a fan of Lord of the Flies and someone very interested in the subject matter of this novel - the interface between anatomically modern humans and Neanderthals - I was really looking forward to reading this book. Sadly, it failed to deliver either in terms of the story and writing quality I expect of Golding or as an interesting exploration of its topic. Golding's portrayal of the Neanderthals - the main characters of the book through whose eyes we experience its events - suffers from outdated notions of these intelligent and resourceful hominins as bestial if likable buffoons. One wonders

how these dunderheads survived the harshest imaginable conditions for hundreds of thousands of years. Apart from that, I think Golding had the right idea, imagining a group of anatomically modern humans appearing as newcomers and coming into conflict with the indigenous Neanderthals. It's fertile ground for drama and Golding does not fail completely to exploit it. But as another reviewer commented, I think his ambition exceeded his grasp, and whether it's because he chose to imagine his main

character as a Palaeolithic "Rain Man" or because his literary powers weren't chugging on all cylinders, Golding did not attain the clarity, coherence, or emotional impact I expected of him. Unlike fine wine, this book has not aged well.

- I had read this many years ago but lost track of who I'd given the book to. I was glad to see it offered in the Amazon book store. This ia well worth reading!! It's an 'eye-opener' and it will influence your thinking whenever you see fantastic claims about products or anything else.
