### **REVIEW OF COMPLEX TEST ENGLISH TENSES ANSWERS ENGLISCH HILFEN**

- This eagerly awaited book has finally arrived! Best of all, it is specifically directed to those of us who own and use one of the Meade ETX scopes. It is an essential tool/accessory for anyone who uses an ETX to view the universe, and I'm sure others will no doubt find it helpful, as well. For those of us familiar with Mr. Weasner's site on the Internet, we all know that it is an invaluable source of information for any amateur astronomer, regardless of level of experience or equipment used. There is something for everyone, from the very first-time night sky watcher, to the novice beginner or the

advanced user of the most complex and expensive gear available. As many times as I will return to that web site, now I have a handy, well organized, clearly written and equally useful compendium of information that I can carry with me and read anywhere at all (without having to download page after page and print, to bring with me in the field, or elsewhere). Great features are the wonderfully organized table of contents and useful index to quickly locate the kinds of things I want to know while using the book as a reference, whether away from the scope, or actually out observing the stars and celestial bodies, etc. The book is a "fast read" if you choose to 'devour' it that way (I did!) Thanks Mike!!!

- Helping Hyperactive Kids-A Sensory Integration Approach by Horowitz and Rost is a good book for anyone working with or a parent of hyperactive kids. It explains how the sensory systems in a child works and then gives TIP's for helping your child (infant, toddler, preschooler, teenagers and even adults can do to stimulate the senses. My favorite chapter was six, Tips of Dealing with Your Hyperactive Child. It had how to communicate, organize the day and foster calmness. In the back is a questionnaire for parents to "determine if a sensory processing problem is occurring in their children." This is a good book for my professional shelf. R. Stutz Foster Mom and Preschool Teacher
