REVIEW OF HACKERS TOEFL GRAMMAR STRUCTURE WRITTEN EXPRESSION HACKERS

- I always like how Mandie handles her problems with her Cherokee cousin Tsa'ni. Even though he doesn't like her and tries to get her lost in a cave, she still handles it like God would want her to. Read this book for another great mystery!

- Sandra Cisneros, the author of "Woman Hollering Creek" gives us a vibrant variety of stories which reveals some of the strength, true love, and wisdom within women. Cisneros, as a gifted writer and a storyteller, shares stories filled with moments of pain and joy. Women Hollering Creek, offers the life experiences of women who have lived both the Mexican and American life. These delicious, poetic stories bring alive beautiful characters (multifaceted women) who experience true life situations. Each character portrayed in

this book, go throughout a catharsis full of pain, anguish, love, hope, and ecstasy. Cisneros is a brave author who shows a unique vision of a woman's heart. Her wise work constructed by her poetic style, shows her power as a woman and a writer. In this book, she takes you down a river of sadness, with a long ribbon of laughter. An example of her style is this passage that captivated me, "Your eyes are beautiful, you said. You said they were the darkest eyes you'd ever seen and kissed each one as if they were capable of miracles. And after you left, I wanted to scoop them out with a spoon, place them on a plate under these blue blue skies, food for the blackbirds." It is very fortunate that I read this book, because it has given me so much inspiration. Cisneros as a Latina woman, has inspired me (another Latino) to continue on my long journey of becoming a writer. Her beautiful prose gives the reader a sense of the world she brings alive. For example, "The laughing sound of the river and canals,

and the high melancholy voice of the wind and the branches of the tall pine." I suggest that every writer should read this book. Another reason why I recommend this book is because it has shown me the astonishing perspective of a woman which no matter what, a man can not have. Me, as a man, would never experience what a woman experiences. This book is very valuable to me, since it provides the opportunity to see the inner beauty and strength of a Latina woman. A third reason why I recommend this book, is because it invites you to imagine and taste the Mexican culture through a woman's eyes. *Woman Hollering Creek*, served me especially and can be a great resource for others to learn about Mexican lifestyle. This book informed me more about that romantic, joyful, and traditional Mexican life. The rating I give this book is a ten, because it has helped me understand where women are coming from a little better. I have gained more respect for women who are writers because she gives her heart to her readers.
