REVIEW OF EXECUTIVE SUMMARY RCM

- My father read this book to me as a child...and I fell in love everything about it. I usually re-read it once every year or two...I enjoy Tolkien's very descriptive writing

style...which has helped me in my creative essays about motorcycle riding....just a fantastic book, filled with creativity, imagination...all the best.

- This book is more targeted to a younger audience. But as I was in the mood for a easier book that I wanted to be fun and thrilling "hobbit" was a clear choice.The best thing with this book is that it is relaxing, you don't need to overload your brain. Just take the adventure as it is and follow along.
