### **REVIEW OF MARUTI SUZUKI SWIFT 2018 PRICE SPECIFICATION INTERIOR**

- While I've enjoyed many of Markides' other books, *The Mountain of Silence* stands on its own. The book is about the author's journey to Mount Athos (a large Greek Orthodox Christian monastic community in Northern Greece) where he spends time with a profound, charismatic monk, and documents the received wisdom for us to partake in. I was raised in the Greek Orthodox church, which from the outside, can be as dogmatic, political, and hypocritical as any organized religion. Thankfully, the deep spiritual experience that many seekers leave to go find in the Eastern faiths, is still preserved in the monasteries, where it is practiced as a way of life. From the all-night vigils and endless chants, to the fruits of contemplative prayer, to the incredible stories of the living saints of Mount Athos, this book captivates the reader in a very accessible style.

- I picked this book up on the way to a

18 hour flight. once I got on the plane I said oh well here goes. ( The book really does not tell you what its about on the cover) Needless to say I was upset my flight was over. Good thing I was flying to meet my husband!!!!!!!!!!!!
