REVIEW OF CAT 247B 2 SERVICE MANUAL

- This is scary how real this hits the nail on the head. Michael Wolff actually takes you inside the tornado of mayhem as the financial markets went wild for these internet pure plays.
- This book, although very incomplete, is filled with some interesting tidbits of information. It seems to treat all areas of NJ with the same weight: perhaps this is diplomatic, but it is unrepresentative of

high Jewish population areas. I do recommend this book to anyone who is maintaining a Library of Jewish life in New Jersey.
