REVIEW OF WORKSHOP MANUAL THERMO KING

- Excellent. A fantastic tale of greed, heroics, and courage. The hero, Jim Hawkins, is swept into a perilous adventure when an old pirate wanders into his home and dies, leaving behind a legendary treasure map. Creative, fun, and exciting, Treasure Island is a must read for people of all ages!
- This book is a fun read. It starts out with action and that action continues throughout. This is the quintessential pirates book. Classic characters like Long John Silver and Jim Hawkins come to life on these pages. The exploits of Jim and his cohorts aboard the Hispanola aare both believable (to a degree) and entertaining. Boys will thoroughly enjoy this book but it need not be gender specific (though there is but one female part in this book and that one a minor part at that). It is fast-paced and just a darn good read.
