REVIEW OF BOUCHON BAKERY

- This book had some good ideas and some interesting ways to

deal with a man's behavior. But mostly it was a way of teaching a woman to pride herself. I read the book in one sitting so it held my attention and was a good read. I would recommend it.

- I got the original version of the Hobbit and it just had a hard time reading it. But then I got this one and I loved it. The pictures are neat and make the book easier to get through. I strongly recommend it.
