Paradise or wasteland--the wilderness has always been a challenge to Westerners. Wilderness and Paradise in Christian Thought traces the exciting theme of the quest for the wilderness--both physical and metaphysical--to create a new and important perspective for understanding Christian civilization. With a wealth of knowledge, a renowned historian presents the biblical understanding of the religious and ethical significance of the desert and how this understanding has influenced later Christian history and culture. Dr. Williams specifically applies the paradise

theme to the university today and shows the continuing vitality of this ancient concept.

Geography and Identity in Afro-American Literature Bibliotech Press

"Often considered alienated from mainstream culture and consigned to negative environments, Afro-American writers have created alternative spatial and geographical metaphors to develop a positive sense of individual and cultural identity. Melvin Dixon demonstrates how three principal figures of the land--the wilderness, the underground, and the mountaintop--have become places of refuge and cultural revitalization for the performance of identity, from early slave songs and fugitive narratives to modern and contemporary fiction"--Jacket.

REVIEW OF COME OUT DE WILDERNESS

- I just got off the phone from Microsoft. There are 2 Access 97 exams. One for the programmers, exam# 70-069, and one for the MOUS (MS Office user specialist), called Expert Level Access 97. This book is for the less technical, MOUS certification, Expert Level Access 97. No, I didn't read the book, I need an exam cram for exam 70-069. (I was forced to give it stars, but I hope this may end some confusion.)

- I purchased this book several years back, as part of the research for my second book. I cannot recommend any book more highly. Anyone interested at all in African American life from the 1880s to the 1930s (particularly as it was lived in New York City from about 1899 to the Harlem Renaissance) should buy it. There is not a more fascinating autobiography in print anywhere! And the life of this man! He was the founder of the first high school for African Americans in the state of Florida, located in Jacksonville (the high school my own mother would attend); the first African American to pass the bar exam in the state of Florida; part of the first successful African American Broadway

composing team (after he left Jacksonville and moved to New York City); composer of the lyrics to, "Lift Every Voice and Sing," the song long considered the African American national anthem (his brother Rosamond composed the music); a consulate in Nicaragua and Venezuela; the first executive secretary of the NAACP, in which capacity he pioneered anti-lynching legislation (though he was unsuccessful in seeing it pass, the effort is described in the book, and is a fascinating lesson in the machinations of Congressional politics in the 1920s); author of groundbreaking fiction such as, "The Autobiography of an Ex-Coloured Man"; author of the nonfiction classic, "Black Manhattan." The list goes on... His

accomplishments, his dignity and intelligence were stunning, simply awe inspiring. And it is a real shame, an indication of how troubled our culture is, that Hollywood has never made a movie about his life, and he is barely mentioned as a key figure who shaped American culture (notice I didn't say African American culture, I said AMERICAN CULTURE). To everyone reading this review, BUY THIS BOOK. You are in for an experience so delicious it will shame you if you never before knew it existed. It will make you want to call for the resignation of all college professors who do not have "Along This Way" as REQUIRED READING for any course designed to examine the history of American culture.
