REVIEW OF AAMI CERTIFICATION STUDY GUIDE

- Jan Chozen Bay's book on Jizo marks a pathway to the deepest aspirations of the human being and of the Buddha Dharma. Jizo may set the world standard for the Buddhist vision of a compassionate life where the seeker forgoes continuously personal salvation and Nirvana in order to serve those more needy souls. Most Buddhists are aware of and have a close relationship to Kwan Yin, the Bodhisattva of Compassion and, currently embodied by the Dalai Lama. Kwan Yin embodies the subtle touch of a thousand hands. These healing hands customize and specialize in offering compassion for the world. Kwan Yin is often pictured holding a medicine bottle and standing or sitting on top of a dragon and fire and riding the safety of a turtle in the seas of birth and death. Jizo, the guardian deity of children, travelers and others is also the guardian of the Earth Storehouse and Hell Realm. Jizo appears in Japan as a childlike figure with a red bib symbolizing the offering to the spirit of aborted fetuses. Jizo also appears emerging from the Earth -- symbolic of our origination and our profound duty to serve our home world. One of Jizo's spiritual missions is embodied in her simple vow -- "until hell is empty!!" This dedication is to the needs of departed child spirits, the earth itself and the most desperate souls - those in a living Hell! This mission of Jizo is profoundly transformative to the Buddhist seeker -- fearless we step forward to do our best to heal the worlds knowing that this is a never-ending journey and that Jizos' path is enlightenment itself. The Way of Jizo contrasts sharply with the many religions concerned with finding the fastest freeway to Heaven.. The Way of Jizo offers us a bold alternative view of life and full time employment. If you are ready Jizo is waiting for you in this deepest, and profoundly hopeful of books

- A house full of little women; is a house full of fun. 4 sisters that are always together having fun. Little Women is about life during the civil war. It shows how a poor family enjoy's life. It talks about 4 loveing sisters and how they got through all their hardships, and still managed to stay together. My opinion about this book is that it is very realistic and a good book for hisorical matter. I recommen that you get this book because it's very good for you to learn about poor peoples lives.
