REVIEW OF BOLD PETER DIAMANDIS PDF

- I think that this book is great because it shows fears that many of us will hopefully never know and shows how lucky we are to be living in a world like we are. This book has suspense and dangerous parts in the book that never lets the book get old.
- This book is spectacular. Tim did a great job and I treasure it. I think the one bad review of this that I read was by some "damon" guy, who must have multiple personalities or be off medication. Everybody knows who Tim is! :) Just ignore the fool, and consider yourself lucky if you have this great book!
