REVIEW OF TOYOTA COROLLA AE100 MANUAL MAINTENANCE

- This was such a great book, I did not want it to end.Once I started this book I could not put it down.The book was well written and fast paced. As a matter of fact, I brought the Millennium in by reading this book. Kimberla Lawson Roby work speaks for herself. She is an excellent writer.

- This is my second raeding of a Kimberla Lawson Roby book,and it was good. This book kept me on the edge wanting to know what was going to happen in it.Curtis was a lying no good cheat of a husband and pastor to his wife and child,along with the congregation.Tonya had serious choices to make regarding her marriage what she was going to do to end it, but at the end she made the right choice. Curtis got what was coming to him.I'm not going to give away the book,but it really had me going. It was good ya'll only a dummy would pass a chance to read it.
