## **REVIEW OF MCA LOUISE BOURGEOIS THE SHE FOX 1985**

- This is possibly the greatest book ever written! It is SO cool! I couldn't put it down. I can easily relate to Kit's life, and so can many people.
- I thought that the Witch of Blackbird

pond was a fairly boring story. Throughout the book there's not anything very exciting that the characters say or do. I also thought that the ending was too happy. Every character in the book was very happy at the end and i thought that it was too much. I think that if i were to give this book a grade it would be a C-. And also, if you're going to read this book, I don't recommend that you should read it if you are under the age of 10. If you like history, romance, and happy endings, then I very strongly recommend this book for you. Otherwise you will most likely find this book very boring.
