## **REVIEW OF NELSON HANDWRITING NELSON HANDWRITING**

- If you like Kindle Books this store-Amazon has a huge selection of all types of books for down load great pricesToo!
- Although first published in 1950 "A Murder Is Announced" by vaunted mystery writer Agatha Christie has lost none of its zest. Deemed a classic in its genre this suspenseful tale is ably represented by British voice and

television actress Rosemary Leach. When invitations are sent reading "A murder is announced, and will take place on Friday, October 29th, at Little Paddocks at 6:30 p.m.," everyone, including the indomitable Jane Marple, would anticipate an unusual party game. Such as, someone will be chosen as the murderer, the room is darkened, and the victim meets his fate. It's not all fun and games when a real dead body is found. Miss Marple, on your mark! With her inimitable skill Agatha Christie allows listeners to enjoy solving the crime, step by step, just as much as Miss Marple does. Curl up in an easy chair and revel this remarkable tale wonderfully read.- Gail Cooke
