REVIEW OF IMPARARE TEDESCO CON 101 DIALOGHI DI BASE FORMATO DI PARAGRAFO

- Jonas' world could very well describe what our world will be like in the future. Color, emotion, and free choice will be nonexistent. One person will hold every single memory in the world. Old people and unwanted infants will be silently and invisibly killed to keep the population steady. The entire environment will be monitored so food can be grown all year long. Lowry beautifully writes this as a warning to us that if we don't take care of our world, this imaginary place in our minds may one day become all too real.
- Fast read, interesting concept. Good book for book club discussions. Our book club was able to get into a heated discussion about the book.
