### SUSTAINING PERSONALITIES IN THE COMPLETE FAR SIDE 1980 1994 GARY LARSON

**In Search of the Far Side** Little, Brown and Compagny Books

A massive, two-volume collection features every Far Side cartoon ever syndicated, more than four thousand in all, presented in chronological order by year of publication, including more than 1,100 that have never appeared in book form, additional cartoons created by the author since his retirement, and commentary by creator Gary Larson. 150,000 first printing.

*Duh Sphere*

Since "The Far Side's debut in January 1980, fans have bought more than 40 million "Far Side books and more than 60 million calendars. Now, at long last, the ultimate "Far Side book has arrived as a hefty, deluxe, two-volume slipcased set. A masterpiece of comic brilliance, *The Complete Far Side* contains every "Far Side cartoon ever syndicated--over 4,000 if you must know--presented in (more or less) chronological order by year of publication, with more than 1,100 that have never before appeared in a book. Creator Gary Larson offers a rare glimpse into the mind of "The Far Side in quirky and thoughtful introductions to each of the 14 chapters. Complaint letters, fan letters, and queries from puzzled readers appear alongside some of the more provocative or elusive panels, and actor, author, and comedian Steve Martin offers his pithy thoughts in a foreword.

Gary Larson writes: Our story begins with a family of worms who are having dinner one fine evening and Son Worm is unhappy. Unhappy because he's found a hair in his plate of dirt. It's the proverbial straw and it leads him to bemoan his fate as a worm - he's sick and tired of being a worm, tired of being at the bottom of the food chain. His father, upset by his outburst, decides to tell him the tale of a fair human maiden called Harriet. Even with the wonder of satellite television, Harriet loved the Great Outdoors and took many wondrous walks along her favourite woodland trail, adventures filled with mystery and magic. Unfortunately, although Harriet was fair and kindhearted (to a very dangerous degree) she was also, well, dumb. She didn't quite understand what she was seeing, didn't realise that in Nature, what you see is not necessarily what you get ...

Kerry D. Soper reminds us of *The Far Side's* groundbreaking qualities and cultural significance in Gary Larson and "The Far Side." In the 1980s, Gary Larson (b. 1950) shook up a staid

comics page by introducing a set of aesthetic devices, comedic tones, and philosophical frames that challenged and delighted many readers, even while upsetting and confusing others. His irreverent, single panels served as an alternative reality to the tame comedy of the family-friendly newspaper comics page, as well as the pervasive, button-down consumerism and conformity of the Reagan era. In this first full study of Larson's art, Soper follows the arc of the cartoonist's life and career, describing the aesthetic and comedic qualities of his work, probing the business side of his success, and exploring how *The Far Side* brand as a whole--with its iconic characters and accompanying set of comedic and philosophical frames--connected with its core readers. In effect, Larson reinvented his medium by creatively working within, pushing against, and often breaking past institutional, aesthetic, comedic, and philosophical parameters. Due to the comic's great success, it opened the door for additional alternative voices in comics and other popular mediums. With its intentionally awkward, minimalistic lines and its morbid humor, *The Far Side* expanded Americans' comedic palette and inspired up-and-coming cartoonists, comedians, and filmmakers. Soper re-creates the cultural climate and media landscape in which *The Far Side* first appeared and thrived, then assesses how it impacted worldviews and shaped the comedic sensibilities of a generation of cartoonists, comedy writers, and everyday fans.

*Wiener Dog Art* Andrews McMeel Pub

The eighth collection of *The Far Side*.

- The sustaining personalities in *The Complete Far Side 1980 1994 Gary Larson* publication likewise play an important duty in the story, with each one adding depth and complexity to the narrative.
- From the protagonist's dedicated buddy to the strange unfamiliar person the antagonist befriends, the sustaining actors assists to bring the world of the tale to life.

Generally, the character advancement in this book is just one of its toughness. Each character is well-crafted and adds to the total tale, making for an absolutely satisfying read.

### LAST DECISION

After reading and examining *The Complete Far Side 1980 1994 Gary Larson* from cover to cover, we have actually concerned our final verdict.

### REVIEW OF THE COMPLETE FAR SIDE 1980 1994 GARY LARSON

- This book is still one of my favorites. I recently finished reading Brave New World and I began to make comparisons between the two. I believe that Brave New World had a much better premise and scope of a possible future, even though it was written in 1932, but The Giver is the better book. The Giver is great for the fact that it has so much meaning in just a few pages and just seems more like the kind of utopia I can see in the future. I recommend it for anyone too young to read Brave New World, and to the majority of people who have read BNW.

- I thought "The Giver" by Lois Lowry was a good book. It's about a place where there is no pain, joy, or any other feelings and your whole life is decided for you. There is a boy named Jonas that gets chosen at the age of 12 to be the receiver of all the memories. But when he receives the memories he decides he doesn't like it and doesn't want to live there anymore. So he tries to find a way to escape into the real world but it's never been done before where he lives.
