REVIEW OF CHRISTINE FEEHAN SERIE HERMANAS DEL CORAZON LIBROS

- I read this for the first time at the age of 36 in preparation for the movie. I loved the Lord of the Rings movies and can see why the books have such a fan base. I read on a 7" android tablet and liked that I was able to zoom in closely to the various maps and drawing images. It was a fun book to read and I enjoyed it.
- Even better the second time 15+ yrs later. Wanted a refresher before the 3D movie! Hoping my son will read at least after the movie.
