- A wonderful way to introduce your children to the beautiful world of birds. Very educational and entertaining at the same time. Told in story book fashion, you could it as a bedtime story or turn it into an actual science curriculum.(There are lots of resources on the web to help you do that)Its a must have for the family!Don't forget to pick up Burgess Animal Book for Children
- Hurrell's photographs show his brilliance in lighting and composition. These photos should be studied and poured over. An excellent book.
