REVIEW OF ABBY PERDIDOS EN EL MAR WALLS PAMELA SOUTH SEAS ADVENTURES 1

- Thisd just is the key text of 20th century philosophy. Written in aphoristic style and heavily reactive to the conversation between Frege Russell and the early Wittgenstein that gave birth to contemporary analytic philosophy it is a must read (in company with some of the texts from those three authors). Nobody should remain unchanged in their thinking by reading and striving to understand this work.

- I was unaware of the revelation of this book of the Bible. This book literally painted the picture of King Hezekiah's life.
