REVIEW OF SIMCITY 3000 MANUAL

- This is a good book for people who like twisted kind of books. In the book the young boys who are stranded

on an island turn on each other. And not only do the turn on one another, they also end up killing one another. I enjoyed it because the book didn't stay in one mood, the boys went from civilized to savage. I didn't care for

it because I couldn't relate to what was going on.

- I loved this book; however, I am a mature adult. It should not be recommended for Girls 11-13 as Amazon has done.
