#### **REVIEW OF 4D56 DIESEL ENGINE MANUAL**

- Of all the Stuart Woods books Ive read this one was quite different, but very entertaining. It didn't have characters that I'm so use to in most of his novels
- This book goes beyond just a detailed view of the Dodgers' last great year in Brooklyn, it also provides a nice historical snapshot of the legendary borough and the changes that were taking place. This is a well researched book with a lot of great information on Dodger greats such as Reese, Snider, Newcombe, Robinson, etc. I definitely enjoyed it.
