REVIEW OF PROUD MARY BYTOWN UKULELE

- Set in Italy, at the outbreak of the invasion of Africa, at the height of fascism, Silone's main character, the communist leader Pietro Spina, disguised as a priest, is confronted with a sad reality: the large distance that separates ideological communism and the daily reality of the "cafoni," the Italian peasants who have to face the cruel struggle for survival, their indifference to political rhetoric, their acceptance of a future with no perspectives, and their reliance on blind faith. Spina is the intellectual mind who painfully learns that ideologies by themselves are not enough, the element of "faith" has to be present in life. The

narrative has superb discourses, simple in its language, but with an incredible depth of meaning, there are plenty of allegories for the attentive reader, the story is a pleasure and a delight, as much as some good bread and wine!

- I was very disappointed in this book. She seems to have gotten bored with her characters. I have loved all the previous books, but it seems like someone forced her to write this one. Very disappointing. Very disjointed.
