publications needs to offer!

REVIEW OF STAR TREK MERE ANARCHY STAR TREK THE ORIGINAL SERIES

- This book was absolutely amazing. this novella is a great choice for readers of all types and ages. this book is basically about friendship, prejudice, and most importantly, the American Dream. everyone has an American Dream. whether its to own land, to become famous, to have a family, or simply to belong somewhere~ everyone wants to be socially equal and have material wealth. this novella teaches the lesson that although dreams give u hope

and motivation to keep striving towards the future, there is also that fear that u won't reach u'r dream and that is very true in many cases such as Lennie and George's. this story is about fate. most of the events occurred in this book based on being at the wrong place at the wrong time or in one word, fate. this book gets its title from a very touching poem. it simply means strong vs. the weak. i would definitely recommend this book because it is realistic and does not have a happy ending because that is the way life goes sometimes. you don't always reach your goals in life.

- The story, Of Mice and Men, is a story about two men named Lennie Small and

George Milton that travel from town to town looking for somewhere to work. Lennie doesn't have it all upstairs and likes to pet small, furry animals. He relies on George to take care of him, and he has a dream of owning a Rabbit Farm and tending the rabbits. George always yells at Lennie for the stupid stuff he does, but everything comes out for the good. One day on the ranch they were working at, Lennie went to see the puppies in the barn and met Curley's wife their. Curley is a small and stout sort of guy that hates big guys. Lennie crushed his hand in a fight they had earlier. Lennie started feeling Curley's wife's hair and felt how soft it was. When she told him to let go, Lennie panicked and held on. He ended up snapping her neck and killing her. He didn't mean anything that he did, but it happened. Later on, George pulls a gun on Lennie and shoots him in the head. A very bizarre ending to such a great book. Lots of events fall behind all that so read it to find out.
