So what are you waiting on? Begin your Adapting Activities Materials For Young Children With downloading and install journey today and experience all the advantages and convenience that the electronic world of publications needs to offer!

REVIEW OF ADAPTING ACTIVITIES MATERIALS FOR YOUNG CHILDREN WITH

- On the plus side, the work is extremely thorough and a very aesthetically pleasing printing. It's 900 pages, yet the book is nicely compact. I don't base my rating so much on the content itself; after all, it's difficult to argue too much with the importance of Thomas Paine, whether you agree with the tenor of his ideas or not. Plus, how do you rate, say, a personal letter? I give this a tepid review because I find the editing lacking. Despite the big name, the book is, essentially, a collection of his writings, with little else. "Great" you may say; I simply note, don't be swayed by

having Eric Foner's name attached to this. For the most part, you will be on your own to determine the context of the individual pieces. For a professional historian, that may be fine, but for an amateur like myself, it became frustrating. Foner has included a section "Note on the Texts" and a section "Notes." But all the first section really gives is the publication date and where the item first appeared; the notes themselves are quite sparse and aren't footnoted in the text (hence, you have no idea while you read the text whether there's a note or not). To give an example of the problem with context, a sample selection: "Response to 'Observation on the American Revolution.'" The entry begins, "Mr Dunlap..." If you turn back to the "Notes on the Text," Foner's only context for this 6-page letter is when and where it was first published. Not helpful. One can read between the lines that it's a response to something ("Observation...") that was published somewhere, by someone ("Mr Dunlap?"). But Foner doesn't tell us what that was. Nor does he even explain who it's too. Maybe historians can readily look at the date and see Mr. Dunlap and know who off the top of their head who "Mr Dunlap" is. I can't. This is one example out of about 50. Virtually every non-obvious/major work in the book, I had to turn to Wikipedia to try to figure out who he's writing or responding to. That being said, I appreciated the chronological organization of it - it's interesting to see the man progress over time... or regress, depending on your point of view.

- VOICES IN SUMMER begins in a suburb of London with Laura Haverstock, a thirty something woman who has just learned that she must have surgery immediately. Laura, married only for six months to Alec, had been in the midst of planning their fishing vacation to Scotland with a group of her husband's oldest friends. She insists that Alec go on his annual fishing trip without her which he reluctantly consents to do; however, he will not leave until after her surgery and then only if she will agree to recuperate at the home of his Uncle Gerald on the coast of Cornwall. Laura is about fifteen years younger than her new husband and is filled with worries about his earlier marriage and the friends that knew his first wife. She's also concerned about his teenage daughter who she's not yet met. She's very insecure with her new life! Laura and her little dog, Lucy are made very welcome by Gerald and his wife, Eve. Days are spent relaxing on the patio and swimming at the beach. Eve's son, Ivan is also kind to Laura and takes her on several jaunts around the area. Cornwall is beautiful and Laura finds herself comfortable and basking in the life of a loving family and their social world. As she heals, Laura begins working out her life and how she'll handle all of the situations that have been bothering her. The dreamy vacation starts to change when poison pen letters show up. The writer of the letters makes nasty accusations about Laura and Ivan. In the midst of it all, Laura is also surprised by a visit from her new stepdaughter. Rosamunde Pilcher has a wonderful way of writing interesting stories about families and all of the complex relationships that are involved. She also makes me want to visit Cornwall where many of her books take place..
