This book will be an invaluable resource for social work students during their studies and on their practice placement. It will also be useful for qualified social workers, who want to continue their professional education.

*Gcse Health & Social Care OCR* SAGE

Those who speak up about poor, corrupt or unethical practice often do so at a great personal cost. This timely book explores our understanding of the ethics of whistleblowing and shows how managers and organisations can support individuals speaking out. While some professional guidelines formalize duties to speak out where there are concerns about poor or harmful practice, workplace cultures often do not encourage or support this, and individuals frequently find themselves victims of a backlash. This book looks at the social, cultural and systemic reasons that make speaking out about poor care so risky. The book looks at the ethics of whistleblowing, and why some people speak out about corrupt or harmful practice, but many do not. It offers a practical framework for creating ethically driven health and social care organizations that support and protect individuals speaking out. Whistleblowing and Ethics in Health and Social Care is essential reading for students, professionals and decision makers across health, social care and criminal justice.

*Social Work* Heinemann

Chapters include: - breastfeeding and human milk - formula feeding - preterm and low birthweight babies - weaning - vegetarian and other restricted types of diet - vitamins - gastrointestinal disorders - non-enteric disorders - topical nutritional issues [from table of contents].

**A Textbook for Health and Social Care Assistants** John Wiley & Sons

A complete guide to youth justice for social workers.

## REVIEW OF CODES OF PRACTICE SOCIAL CARE INSTITUTE FOR EXCELLENCE

- Eragon is one of the best books I have ever read. It is about a boy who is 15 and a his dragon Saphira. It is great and very exciting. A must read book.

- Far as I know, Eldest hasn't been realized yet, but I;d like to thank the reviewer below me for spoiling the next book. Thanks alot, kid. Its kids like you that give us other kids a bad name in reviewing....You might be Paolini...or a friend or neighbor, but that doesn't matter....Now on to my review. Eragon was an okay, 3 star book. If you grade on how fast you read it, then it gets a five. I read it within 24 hours. I thought it was great then, when i first read it, now its just okay. I've read all of those other books Paolini rips off and am horrified.But its not all that bad. I've read worse. At least Paolini drew kids into liking to read. That's the important thing i guess...I am getting the second book. If it shapes up, then I'll get the third...but if the guy below me is right, it has a Stars Wars: The Empire Strikes Back quality to it....Yoda and that O-guy, Murtaugh and Leia.....
