Pulitzer Prize winner and New York Times bestseller: A “lush, tipsy, all-night mambo of a novel about Cuban musicians in strange places like New York City” (People). Brothers Nestor and Cesar Camillo arrive from Cuba in 1949 with dreams of becoming famous mambo musicians. This memorable novel traces the arc of the

two brothers' lives—one charismatic and macho, the other soulful and sensitive—from Havana to New York, from East Coast clubs and dance halls to the heights of musical fame. The basis for a popular film, *The Mambo Kings Play Songs of Love* "tells of the triumphs and tragedies that befall two men blessed with gigantic appetites and profoundly melancholic hearts. . . . Hijuelos has depicted a world as enchanting as that in Garcia Marquez's *Love in the Time of Cholera*" (Publishers Weekly). "Rich and provocative . . . a moving portrait of a man, his family, a community and a time." —Michiko Kakutani, *The New York Times*

Essays on Puerto

Rican Identity Arte Publico Press

"Santos-Febres and 13 other contributors of Puerto Rican heritage take full advantage of San Juan's wide range of disparities between rich and poor, weak and powerful, tourists and residents, in this fine addition to Akashic's noir anthology series." -- Publishers Weekly "A welcomed addition to the publisher's popular noir series, *San Juan Noir* has the distinction of being issued in two editions, English and Spanish, to more accurately reflect the Caribbean island's bilingual culture. Editor Santos-Febres gathers a varied collection of stories she expects will 'reveal a side of Puerto Rico otherwise obscured by the tourist trade and

preconception.'" -- NBC News Latino "The stories within San Juan Noir stare right into the face of colonialism as they examine the gaps between the city's rich and its poor, its residents and its constant flow of tourists, its colorful exterior and its gritty underbelly. This is noir with a bite, noir that enthralls with its dark tales even as it challenges the reader--do better, do better, do better." --Literary Hub "From the interiors of sleazy bars or chic resort hotels, shabby apartments and in open streets and avenues with no escape, the tales of San Juan Noir trace the doomed routes of their victims and villains with an acute social and tragic awareness. These journeys keep

the reader transfixed and understanding this Caribbean city in entirely new ways." -- Insights Akashic Books continues its groundbreaking series of original noir anthologies, launched in 2004 with Brooklyn Noir. Each story is set in a distinct neighborhood or location within the city of the book. Brand-new stories by: Wilfredo J. Burgos Matos, Ernesto Quiñonez, Mayra Santos-Febres, José Rabelo, Luis Negrón, Yolanda Arroyo Pizarro, Ana María Fuster Lavín, Janette Becerra, Manolo Núñez Negrón, Tere Dávila, Edmaris Carazo, Alejandro Álvarez Nieves, Charlie Vázquez, and Manuel A. Meléndez. Translated by Will Vanderhyden. From the introduction by Mayra

Santos-Febres: "Puerto Rico is often portrayed as sandy beaches, casinos, luxury hotels, relaxation, and never-ending pleasure--a place that satisfies all senses and appetites. Yet the city of San Juan is much more than that. The capital of the Commonwealth of Puerto Rico is the oldest Spanish settlement in all the territories and colonies of the United States. Since Puerto Rico is economically dependent on the US, the financial downturn of 2008 hit us hard. Many Puerto Ricans have left the island, looking for a better life. Crime has risen and the black market has thrived. As in many crises, art, music, and literature have also flourished. Never before has there been

so much literary production. We have responded to our crisis with many stories to tell. And, especially in these times, many of those stories are noir... I hope these stories spark your imagination, and reveal a side of Puerto Rico otherwise obscured by the tourist trade and preconceptions. Maybe it will also pique your curiosity, and you will come visit our 'pearl of the Caribbean.'"

Black Thunder Arte Publico Press

A classic work of American theatre, based on the Scopes Monkey Trial of 1925, which pitted Clarence Darrow against William Jennings Bryan in defense of a schoolteacher accused of teaching the theory of evolution. The

accused was a slight, frightened man who had deliberately broken the law. His trial was a Roman circus. The chief gladiators were two great legal giants of the century. Like two bull elephants locked in mortal combat, they bellowed and roared imprecations and abuse. The spectators sat uneasily in the sweltering heat with murder in their hearts, barely able to restrain themselves. At stake was the freedom of every American. One of the most moving and meaningful plays of our generation. Praise for *Inherit the Wind* "A tidal wave of a drama."—New York World-Telegram And Sun "Jerome Lawrence and Robert E. Lee were classic Broadway scribes who knew how

to crank out serious plays for thinking Americans. . . . *Inherit the Wind* is a perpetually prescient courtroom battle over the legality of teaching evolution. . . . We're still arguing this case—all the way to the White House."—Chicago Tribune "Powerful . . . a crackling good courtroom play . . . [that] provides two of the juiciest roles in American theater."—Copley News Service "[This] historical drama . . . deserves respect."—The Columbus Dispatch

From the beloved and award-winning author Junot Díaz, a spellbinding saga of a family's journey

through the New World. A coming-of-age story of unparalleled power, Drown introduced the world to Junot Díaz's exhilarating talents. It also introduced an unforgettable narrator—Yunior, the haunted, brilliant young man who tracks his family's precarious journey from the barrios of Santo Domingo to the tenements of industrial New Jersey, and their epic passage from hope to loss to something like love. Here is the soulful, unsparing book that made Díaz a literary sensation.

Esmeralda Santiago's

story begins in rural Puerto Rico, where her childhood was full of both tenderness and domestic strife, tropical sounds and sights as well as poverty. Growing up, she learned the proper way to eat a guava, the sound of tree frogs in the mango groves at night, the taste of the delectable sausage called morcilla, and the formula for ushering a dead baby's soul to heaven. As she enters school we see the clash, both hilarious and fierce, of Puerto Rican and Yankee culture. When her mother, Mami, a force of nature, takes off to New York with her seven, soon to be eleven children, Esmeralda, the oldest, must learn new rules, a new language, and eventually take on a

new identity. In this first volume of her much-praised, bestselling trilogy, Santiago brilliantly recreates the idyllic landscape and tumultuous family life of her earliest years and her tremendous journey from the barrio to Brooklyn, from translating for her mother at the welfare office to high honors at Harvard.

Since the 1960s, Nuyorican poets have explored and performed Puerto Rican identity both on and off the page. Emerging within and alongside the civil rights movements of the 1960s, the foundational Nuyorican writers sought to counter the ethnic/racial and institutional invisibility of New York City Puerto Ricans by documenting the reality of their communities in innovative and sometimes challenging

ways. Since then, Nuyorican poetry has entered the U.S. Latino literary canon and has gained prominence in light of the spoken-word revival of the past two decades, a movement spearheaded by the Nuyorican Poetry Slams of the 1990s. Today, Nuyorican poetry engages with contemporary social issues such as the commodification of the body, the institutionalization of poetry, the gentrification of the barrio, and the national and global marketing of identity. What has not changed is a continued shared investment in a poetics that links the written word and the performing body. The first book-length study specifically devoted to Nuyorican poetry, *In Visible Movement* is unique in its historical and formal breadth, ranging from the foundational poets of the 1960s and 1970s to a variety of contemporary poets emerging in and around the Nuyorican Poets Cafe “slam” scene of the 1990s and early 2000s. It also unearths a largely unknown corpus of poetry performances, reading over forty years of Nuyorican poetry at the intersection of the printed and performed word, underscoring the poetry’s links to vernacular and Afro-Puerto Rican performance cultures, from the island’s oral poets to the New York sounds and rhythms of Latin boogaloo, salsa, and hip-hop. With

depth and insight, Urayoán Noel analyzes various canonical Nuyorican poems by poets such as Pedro Pietri, Victor Hernández Cruz, Miguel Algarín, Miguel Piñero, Sandra María Esteves, and Tato Laviera. He discusses historically overlooked poets such as Lorraine Sutton, innovative poets typically read outside the Nuyorican tradition such as Frank Lima and Edwin Torres, and a younger generation of Nuyorican-identified poets including Willie Perdomo, María Teresa Mariposa Fernández, and Emanuel Xavier, whose work has received only limited critical consideration. The result is a stunning reflection of how New York Puerto Rican poets have addressed

the complexity of identity amid diaspora for over forty years.

“We’re everywhere, and it’s time to come out of the closet: I speak of the tongue-tied generation, buyers of books with titles like *Master Spanish in Ten Minutes a Day* while *You Nap*. . . . We grew up listening to the language—usually in the kitchens of extended family—but we answered back mostly in English.” Demetria Martínez wields her trademark blend of humor and irony to give voice to her own “tongue-tied generation” in this notable series of essays, revealing her deeply personal views of the world. Martínez breaks down the barriers between

prayer and action, between the border denizen and the citizen of the world, and between patriarchal religion and the Divine Mother. She explores her identity as a woman who has within her the “blood of the conquered and the conqueror,” and who must daily contend with yet a third world—white America.

REVIEW OF BODEGA DREAMS ERNESTO QUINONEZ

- Many of us complain that in our hectic lives,

we have no time to read. I don't buy that flimsy excuse, however, if it does apply to you, take my advice and read *Girl In Hyacinth Blue* by Susan Vreeland. This is truly time well spent in reading for pleasure. The author has researched the facts meticulously, and her style is spare and moving. Art and beauty play a major role in our lives; this is well proven by this book which traces the provenance of a purported Vermeer painting. Stories go backwards in time,

characters are introduced, speaking the language of their era. Your mind is constantly engaged in reading this book. It goes on my list of 'Unforgettable Reads.'

- This is an excellent book in teaching you what depression is all about and the various types of help that is out there (from self-help to doctors). It is easy to read and I recommend it for anyone who has depression or knows someone with depression.
