REVIEW OF URP JUVENIL PDF

- This is a must have book for any book lover. I have the suede edition and it is just beautiful. The stories of Shakespeare still speak today. We just need to open our ears and our hearts so we can listen.

- Heikal's Secret Channels is an important book that provides details of the interaction between the Arab leaders, Israel and the US. This story of betrayal after betrayal of the Arab cause by its inapt leaders could only have been told by an insider. We learn about Sadat's and Arafat's inferiority complex and megalomania. How US mideast foreign policy is prepared by Israel. When Iraq seeks contacts with the US after the Gulf war it is advised by the US to seek "clearance": from israel. Israel's policy of denial of the palestinians while seeking acceptance from neighbouring Arab states has not changed since earlier in this century. An important queation: Why is this book not available from the publisher? Is it out of stock or print or has the censor's hidden hand struck again? I obtained my copy from overseas.
