Generally, our evaluation of Home Theresales Perfect Design Selection has offered us with a rich understanding of the story and its literary possibility. We extremely advise this publication to viewers who are trying to find a provocative and psychologically impactful read.

REVIEW OF HOME THERESALES PERFECT DESIGN SELECTION

- This is one of those books that will help truth seekers on thier path. This book will help open up a path of research for those who are truly seeking to worship The Fathr in spirit and truth, just as Messiah intructed us. A great place to begin for the study of the faith once delivered and for those who are questioning the vain phiosophies and false traditions of men.

- I can't remember the last book I disliked as much as I dislike Emma. GoodReads informs me that I have been struggling through this book since the middle of October, but in actuality this book has been haunting me for at least ten years. I bought it sometime before I went to boarding school. Though I remember starting it several times, I never made it past page 30. As I vociferously complained about this book as I was reading it this time, both M and my mother asked me why I was reading it if I disliked it so much. I didn't really have a good answer at the time, but now I know. Leaving this book unread for so long was haunting me. I really don't like leaving things undone, and I wanted to challenge myself as a reader. As an apprentice-writer, you are supposed to read as much as you can. If left solely to my own devices, I would mostly read YA, so Classics and Modern, Adult Lit are good for me. Usually, I like reading about Austen's heroines. I enjoyed Pride and Prejudice. Northanger Abbey was a fun read. But Emma Woodhouse makes me want to hit people. Okay, mostly I just want to hit her. So what were my issues? In Northanger Abbey, the heroine is also fairly naive and kind of creates the problems in her life. But you know what? She feels badly about it! And she learns! Emma's excessively high opinion of herself pissed me off beyond belief, and though she feels bad for a minute or two, in another 30 pages she'll be doing exactly whatever it was that got her into trouble last time. In fact, I don't think she focuses too much on starting the rumor about Jane Fairfax being in love with a married man. If she even thinks about it, it wasn't for very long. In fact, she focuses more on making a catty comment to Jane's aunt (whose ridiculously chatty dialog is *painful* to read), and that's primarily just because Knightly chastises her for it. Which brings me to my other issue: Knightly. Not a super-hot Austen heroine, in my opinion. Call me a crazy modern woman, but patronizing guys just aren't attractive to me. Now, I think he's perfect for Emma, who continues to act exactly like a spoiled child/Mean Girl, but I couldn't get 100% behind a relationship predominately based on him trying to fix her and get her to grow up. Maybe I'm missing something, and I'd love to see your thoughts or defenses of the book in comments. But really I'm just glad I accomplished that. Hopefully my other 10+ year book that is haunting me, The Phantom of the Opera, won't be as painful. Rating: 2 stars-- At least I will never have to start this book again.
