Karan Johar is synonymous with success, panache, quick wit, and outspokenness, which sometimes inadvertently creates controversy and makes headlines. KJo, as he is popularly called, has been a much-loved Bollywood film director, producer, actor, and discoverer of new talent. With his flagship Dharma Production, he has constantly challenged the norms, written and rewritten rules, and set trends. But who is the man behind the icon that we all know? Baring all for the first time in his autobiography, *An Unsuitable Boy*, KJo reminisces about his childhood, the influence of his Sindhi mother and Punjabi father, obsession with Bollywood, foray into films, friendships with Aditya Chopra, SRK and Kajol, his love life, the AIB Roast, and much more. In his trademark frank style, he talks about the ever-changing face of Indian cinema, challenges and learnings, as well as friendships and rivalries in the industry. Honest, heart-warming and insightful, *An Unsuitable Boy* is both the story of the life of an exceptional film-maker at the peak of his powers and of an equally extraordinary human being who shows you how to survive and succeed in life.

REVIEW OF BUSINESS STUDIES CLASS XII POONAM GANDHI

- This is a combination review of the book that follows along with the movie, and the movie. Julie &

Julia was so entertaining. Julie is a woman who is about to turn 30. She and her husband have just moved to a tiny, cramped apartment in Queens, NY above a pizza shop. She works full time at a just so so government job, and is unsure what to do with her life. Julie does love to eat, she loves to cook, so she comes up with an idea to cook every single recipe in Julia Child's Mastering the Art of French Cooking cookbook. She plans to do this all in one year and there are over 500 recipes. Every day she blogs about her cooking experience, and soon she becomes quite popular out there in cyberspace. She becomes totally obsessed with her project, and fortunately for her she has a supportive husband on her cheering squad. If you see the movie, I think you will agree the Meryl Streep was just fabulous as Julia Child. She sounded just like her, and she too had a supportive husband like Julie, who encouraged her to pursue her interest in cooking, even though she was in her 40's when she did. It was amazing how they combined Julie Powell's story with Julia Child's : My Life in Paris story. Laugh out loud moments you will want to experience again and again. Had I just read the book (Julie Powell's true story) and not seen the movie, I might have been a little less enthusiastic with this review, and Julie, was a bit of a whiner, or to me, that is how she came across. This was one feel good story, that I will be talking about every opportunity I get. HIGHLY RECOMMENDED.

- boring, self centered, Amazing what she thinks about her job and her bosses and ...just not a good read. also NARRY A RECIPE but then just a book to ride coat tails and make some fast \$\$\$ As far as the swear words she defends so much, without them there would really be absolutely no spice. But even they become boring and trite after awhile.
