REVIEW OF IELTS SUCCESS

- A simply awful work with disturbingly graphic photographs of aborted fetuses and such blatantly anti-choice propaganda it made me sick. I thought this was a book about pro-choice options and it was completely misleading. I threw this hateful stuff in the garbage lest anyone else read it! And it was not hardcover when it was sent to me from the used book source I bought it from, it was softcover. Very dissapointing!

- Used this book in my auto class, it was great. Easy to follow and find answers to your questions. I recommend this book for Suspension class or performing a job. Im glad I bought this instead of renting cause its mine to keep.
