REVIEW OF HOW TO RELEARN IDLE FOR 2002 TOYOTA CAMRY

- this book tells an original story in a completely unique voice-- it manages to be funny and sad and serious all at once-- I loved the main character, a young boy growing into a young man against all obstacles of poverty and violence and missing adults. His wit and knowing insight into his ghetto neighborhood were entertaining and eye opening. And his play with language is a pleasure. I couldn't put it down, and felt changed by the experience of reading it.

- If your a new fan to Zorro and would like to know about his history, this is your book. A great collector's item and a good treasure. One of the best Zorro books out there. Highly recommended
