It's Christmastime in the pocket-sized village of Briarcliff Manor. With yuletide spirits flying high, life seems close to perfect in this quaint suburb of Manhattan. But not everyone feels the holiday cheer. While most go about their joyful holiday pursuits, young Charlie Riverton is restless. Compassionate by nature, he's especially mindful of the lonely and forlorn. At the same time, he's the unofficial leader of a close-knit group of sixth-grade buddies. Together they grapple with pre-teen hijinks, newfound freedoms and an emerging, nerve-wracking interest in girls. Meanwhile, there's a curiously gifted newcomer in town. Charlie develops a special friendship with the handsome stranger and together, they set out to craft a God-honoring Christmas gift for the whole community. Along the way, lives are changed and people begin to look at Christmas a little differently. Come spend the holidays in Briarcliff with this feel-good, coming of age story set in small-town America in the early 1970s. Congratulations to Tom for writing a heartwarming Christmas story that evokes the traditional Christmas spirit. *A Gift Most Rare* focuses on a God-honoring relationship between a young boy, a guardian angel and a whole village that rediscovers how best to celebrate Christmas. - Kevin Sorbo, Actor, Producer, and Director *A Gift Most Rare* is a gift to every reader. He economically imbues his plot and characters with life's truths. - Karen Smith, Historian, Briarcliff Manor *A Gift Most Rare* is a thoroughly feel-good holiday tale, reminiscent of the things we

30 Songs you can play for your baby immediately on any instrument you may have at home without any musical background. Hi. Now you are parents. Or grandparents. The second is much easier but does not free you from the duty of singing lullabies and other funny kids' songs to your little ones. Do you feel forced to sing them? It's not easy, is it? Especially if you're tone-deaf. Did your schoolmates study violin while you were playing hooky from music class? Now with the kids, you're stuck and everyone expects you to be a lullaby singer. Well, we have a solution for you. If your only singing has been in the shower, let us help you become a real musician. And you can do it with any instrument. Even a toy piano, if it is tuned. If you are a musician, this book is not for you. You can go play your instrument in an orchestra. Kids like simple music. We offer your a guaranteed time-tested set of cool kids' songs. These are famous kids' songs (which you'll recognize) and also some musical nursery rhymes threw in. What do you need for your musical success? Equipment for starters. Your instrument can even be jars with water. But for most songs, it'll be better if they are somewhat tuned. It could be any key instrument like a piano, melodica, kalimba, marimba, synthesizer, xylophone, glockenspiel, or a color bell set with 8 bells or more. Drums, tambourines, castanets, and music rattles are also welcome. The main argument for the idea of not being able to play in a band with your child immediately is *I CANNOT READ MUSIC SHEET*. Don't worry! You don't have to! We made our pictures large and as simple as possible. You'll easily play by circles. No musical staff or notes. Your listeners are not very critical and won't know the difference. Kids are the best listeners in the world. The sheet music book has 2 parts: Part 1. No musical staff or notes. Simply follow the circles with letters. To show the rhythm, we grouped the circles together. Every song in this section was adapted for the newbie - you - just 8 notes (one octave). Part 2. Here you'll see traditional musical notes and staff added. But don't worry - the helpful letters are still there. Important! You will be able to begin to play right away if the keys of your instrument have letter notations on the keys (like kalimba or xylophone). For other instruments, you just need to get and apply stickers with letter-notations. Just 8 stickers will be enough. Write the notes with a marker - A B C D E F G and C8. Easy play songs were adapted especially for beginners. Attention: Songs have been transposed for a DIATONIC range. Some melodies might be changed and simplified. If you have flat keys on your instrument, please use the classic music score for the piano. Songs: 1. Hot Cross Buns 2. Are you sleeping? 3. Mary had a Little Lamb 4. The wheels on the Bus 5. Twinkle. Twinkle Little Star 6. Old MacDonald had a farm 7. Do you know the Muffin Man? 8. London Bridge is Falling Down 9. Jingle Bells 10. We wish you a Merry Christmas 11. Brahm's Lullaby 12. The New York Times–bestselling journalist and serial killer expert recounts a tragic case of infanticide—including an exclusive interview with the killer. It started with a horrifying discovery in an Arizona self-storage facility: the abandoned bodies of three infants wrapped in plastic. Dianne O'Dell, a mother of eight children, admitted the babies were hers. She claimed they'd died of natural causes; that she'd been impregnated by her father when young; that her own mother had forced her into teen prostitution. O'Dell's life story ran a horrifying thread from tranquil Kauneonga Lake, New York, to the mountains of the Southwest. But would it lead a jury to grant her mercy? Or would she pay the price for committing the worst crime a mother can commit?

Joe is Safety Harbor's most beloved citizen. Through his gift of simple hospitality for all, and the quiet sharing of his wisdom with those who frequent his diner, he has influenced the lives of many for good. Now, Joe is missing, leaving behind only a cryptic note that simply says, "Carry on." What does it mean to "carry on" as Joe intended? Did he leave of his own accord or is his absence a sign of something more sinister? Through the struggle with these questions, and the ensuing search for Joe, Safety Harbor discovers that it is in the middle of a cosmic struggle between light and darkness that takes some of them to the very edge of time and eternity. They find that heaven is not far from earth, and that our ordinary, flawed lives are indeed both miraculous and extraordinary.

COMPREHENDING CHARACTERS IN SLEEP IN HEAVENLY PEACE

A Book of Verses Helen Winter

The Melodica is one of the best educational instruments. The Melodica is light and portable The Melodica develops both keyboard skills and breath control The Melodica is perfect for group play The Melodica works like a clarinet The Melodica plays like a piano The Melodica sounds like a harmonica or an accordion This book is for kids or adults who are absolute beginners in music. We tried to write it as simply as possible. That is why we use an "easy-to-play" visual aid so any beginner can play music quickly. Neither kids nor their parents have to read sheet music or have a musical background. No previous knowledge is necessary. None at all. Every song has a large and simple, color and letter-coded visual, along with traditional sheet music. The instruction is designed so that children begin with simple circles and gradually advance to reading notes using sheet music. We try to make this transition as easy as a game, where children advance to higher levels themselves. There is a total of 22 songs and 3 options to help children to begin to play right away. PLAYING BY COLOR CIRCLE PLAY BY LETTER PLAY WITH THE MUSICAL STAFF The player can first follow the circles and then repeat with the classic note symbols and staff. The helpful letters are always above the notes. There are 3 parts in this book. They are equal to 3 levels. Level 1. Songs that are played in one octave. All songs here appear twice: once written with circles and the next time with classic music notes. This will help kids remember the staff notes. For example: Mary Had a Little Lamb - Ver 1 - CIRCLES Mary Had a Little Lamb - Ver 1 - NOTES Level 2. In this part, you will find one version with both circles and notes and a more advanced version of the song with notes and musical notation. For example: Hot Cross Buns - Ver 1 - CIRCLES Hot Cross Buns - Ver 1 - NOTES Hot Cross Buns - Ver 2 - NOTES (Here the player will play songs in a different key and learn to transpose). Generally, the version of the song written with sheet music is a little bit more complex than a letter-coded version. Such versions already have music notations such as rests or beams, etc. You can find an illustrated explanation of the notation at the end of this book. Level 3. Here, the first two songs are versions of the same melody (different combinations of notes) written with circles and notes. This is important so that the beginner can see how the same melody can be played in different keys. First of all, this book is addressed to newcomers to any keyboard instrument (such as Piano or Synthesizer, not only Melodica). Also, it is a perfect self-training guide for children and beginner adults to mastering the challenges of percussion instruments such as kalimba, marimba, xylophone, glockenspiel, or even color bell set.

Byway to Danger iUniverse

The sheet music book consists of 2 sections: 1. The first, with 20 color-coded kids songs written especially for such a xylophone (pictured on the book cover). This book was written to help the beginner, whether child or adult, learn to play music in a simple and easy way that requires no knowledge of reading music. Just by following the circles with letters, you will sound like an experienced musician. Playing music can be as simple and enjoyable as a game. That is our goal to give you what's necessary to play beautiful music while having fun. This sheet music (musics) of funny kids songs was written especially for this xylophone. Attention: Songs have been transposed for a DIATONIC range. Some melodies might be changed and simplified. If you have flat keys on your instrument, please use the classic music score for piano. List of kids songs: 1. Hot Cross Buns 2. Are you sleeping? 3. Mary had a little Lamb 4. The wheels on the Bus 5. Twinkle, Twinkle Little Star 6. Old MacDonald had a farm 7. Do you know the Muffin Man? 8. London Bridge is Falling Down 9. Jingle Bells 10. We wish you a Merry Christmas 11. Brahm's Lullaby 12. Ode to Joy 13. Happy Birthday 14. Le Cucaracha 15. Oh! Susannah 16. Beethoven - For Elise 17. Silent Night 18. Yankee Doodle 19. Row, row, row your Boat 20. Jolly Old Saint Nicholas. There are simple popular songs: kids learning (ABC), sleeping, Christian, church, animals. 2. The second part of the book has the "3 Little Pigs" fairy tale with a musical score. We offer a lot of activities that can be done with any percussion instrument or any sound made with home utensils, for example, while listening to the story. This fairy tale encourages a child's musical activity, even if they have never played music before. German composer Orff believed that each child should not be a passive listener, but an active co-creator. Not only can you and your kids play using a percussion instrument musical set, but also with any other musical sounds you can come up with. We hope you'll enjoy these funny kids' songs and percussion music actions and activities.

'And what does the LORD require of you? To act justly and to love mercy and to walk humbly with your God.' Micah 6:8 NIV This book contains 365 short daily devotions on the theme of mercy. Each day's reading will take about one minute to read, and is accompanied by a short scripture passage and a gentle tug on your heart to be the light of mercy in someone's life each day, because a merciful heart looks beyond its own difficulties and encourages others. Written by Don Stephens, bestselling author of *Ships of Mercy*, and founder of the charity *Mercy Ships* which offers free surgical care to people in desperate need in Africa, these daily devotional readings are inspired by the very best stories from the work of the people who volunteer on the ship. But each day's reflection points to the need for mercy everywhere... not just across the ocean, but down the street, next door, and even in our very own homes.

Chicken Soup for the Soul Stories for a Better World SoundForth

God's Word is a fiery, exploding, all-pervading, and living message that should cause us all to fall down to the ground and tremble... yet that is rarely the experience for so many dispirited people of God! Some people believe questioning the Bible, the direction God is going, or even God himself, is blasphemy. Some think it's a sign of disbelief. Daniel Thornton believes his son, Rusty Thornton, is lost without God and takes him to a faraway place in the early 1950s near Spicewood, Texas where he would never come in contact with people. He has an old King James Version of the Bible and

begins to try and cure his son's affliction of skepticism. Rusty Thornton remembered nothing before his eighteenth birthday. The first book he read after learning to read and write was on Hinduism. His father didn't know how such a book ended up in his library. He took it and hid it from his son but not until he had read it from cover to cover. Was it too late for his son? Did what he learned about Vishnu and Krishna absorb his entire thought process where he never recognized Jesus Christ as the one and only son of God? Who's right, Daniel Thornton or his son? Rusty questioned his ability to communicate with animals. Was it a God-given talent? Why can't he remember anything in his life before his eighteenth birthday? Who is his cousin, Carolyn Thornton who comes strangely into his life on his twenty-first birthday? Who is the stranger, Billy Joe Briscoe, who is hired to become Rusty's companion and teach him about Jesus Christ and the Bible? "Is it wrong for Christians to question God?" One should not ask a question of the Lord because they think they know better than Him. One should never question God's authority, a big No, No! We should never ask questions of God to try and stall our obedience to the Lord. If we are questioning the scriptures in the Bible because we desperately want to know the answer we are searching for, then that should be okay. In the mind and thoughts of Rusty Thornton, it is perfectly fine to do so! Snippets from *Seeing the Power of God*: "My father taught me that God is merciful and caring for all human beings. Yet what I read in the Bible here," he turns a few more pages, "can hardly be so if this is true." He stopped turning the pages at the Book of Joshua and began reading aloud, "Jericho is shut up. God instructed Joshua how to besiege it!" He paused a moment, torn by conflicting emotions. "Does that make any sense to you, Billy Joe? It causes me to have grave concern over God's plans. If he is for sure the Creator of all things, how could he possibly instruct one of his own human beings, his own creation, to besiege a city that's filled with others of his creation and kill men, women, children, and animals... all his creations?" *** "Let me ask it this way of you, Billy Joe. If God has the power to take out Satan and love us, why doesn't he do it? Why did the Lord have to come down and die on the cross to save us from the grasp of Satan who was a creation and subject of God in the first place? Why does Satan still exist if he has disobeyed God more than anyone else?" *** Rusty Thornton wanted to know what someone who died saw in the afterlife. "Many say," Billy Joe jumps in and mixes up the conversation, "that when you die, you will meet a skeleton holding a scythe. Some say you go to Heaven. Some say you go to Hell. Others say you are reincarnated or that you turn into a ghost. Some even say that you sleep for all eternity. The problem with death, my dear friend, is that we will never know until after we die."

Frank moved like a human tiger, bending to study the ground with a quick keen alertness. In the distance behind and above him, he heard the search helicopters flying in wild and desperate patterns. He paid them no mind as he moved quickly forward, knowing that the hikers would die with the coming of night, if they weren't dead already. Frank traveled light, trusting his life to his skills. He never challenged the forces of nature, he respected them. But he knew he could efficiently live off the land for weeks at a time and could improvise shelter even in the most hostile weather. Frank suddenly stopped dead in his tracks halfway up the mountainside when he came across a log covered in blood. He carefully stepped across and came upon a severed arm frozen in the snow, and then another, further out he could faintly see a pair of legs, but nothing more. The body had either been eaten or dragged someplace else.

The Care of Souls is a collection of essays and short reflections on the art of pastoral supervision in the clinical pastoral education (CPE) learning process. The essays focus on different aspects of supervisory theory, and are juxtaposed with reflections on the raw helplessness of both the patient and the chaplain, which can occur at the bedside. This collection highlights the critical importance of self-awareness, the inexact art of caring, and the hard necessity of listening to another person's pain.

Translating for Singing discusses the art and craft of translating singable lyrics, a topic of interest in a wide range of fields, including translation, music, creative writing, cultural studies, performance studies, and semiotics. Previously, such translation has most often been discussed by music critics, many of whom had neither training nor experience in this area. Written by two internationally-known translators, the book focusses mainly on practical techniques for creating translations meant to be sung to pre-existing music, with suggested solutions to such linguistic problems as those associated with rhythm, syllable count, vocal burden, rhyme, repetition and sound. Translation theory and translations of lyrics for other purposes, such as surtitles, are also covered. The book can serve as a primary text in courses on translating lyrics and as a reference and supplementary text for other courses and for professionals in the fields mentioned. Beyond academia, the book is of interest to professional translators and to librettists, singers, conductors, stage directors, and audience members.
