REVIEW OF DEVOTED ELIXIR 2 HILARY DUFF

- The artwork is the only thing anyone ever remembered from this series. Congratulations on putting out an edition that looks exactly like every other scary stories for kids book, instead of the ONE that literally everyone remembers from their childhood.Great way to commemorate the anniversary.

- I don't know where to begin, these books have been such a huge part of my life! I remember discovering these when i was in 3rd grade, in 1993. I was truly obsessed, when friends would come over I would just read, read, read out loud to them, some of them scared to death by the stories, others mesmerized by the awesome illustrations (thank you steven gammell!) I still talk about them till this day (im a junior in high school) its been 8 years and I have still not forgotten these books. Alot of the stories live on in my mind, "The big toe," or "Bloody Fingers" (COOL IT MAN, GET A BAND-AID!) ahaha I lovmem! I recommend this book to every living soul on the face of this planet, go out and buy all three! (More scary s's is the best, i think) I LOVE THESE BOOKS!
